

Renaissance Guitar Company, Inc.
Product Warranty
2010

The Renaissance Guitar Company warrants all new instruments we build. This warranty is a guarantee of full consumer protection against all defects in workmanship, materials, and design to the original owner. The duration of this warranty, as stated above, is for two years from date of purchase.

From that date forward, Renaissance Guitar Company extends this warranty for the body and neck for a period of five additional years. Electronics, wiring, and internal components are not included in this extended warranty. Finish checking, being a climate influenced condition not controllable by Renaissance Guitars, is also not covered by this warranty.

Full warranty and repair service is offered at our shop, and we will work on all problems and issues on Renaissance Guitar Company instruments for the life of the instrument. Repair rates, in our shop, are below industry standards as a service to our instrument owners.

Normal wear and tear, exposure to extremes of humidity or temperature, accidental damage or abuse is not covered by this warranty and is evaluated by Renaissance Guitars. Unauthorized repair work also voids this warranty. Renaissance Guitar Company will not assume consequential damages or subsequent financial loss. Shipping and transportation to and from Santa Cruz is the responsibility of the instrument owner.

This warranty supercedes all previous guarantees expressed or implied.

Thank you for purchasing a Renaissance Guitar Company instrument.
